		Total order w/o VAT	
		VAT (15.0%)	
		TOTAL ORDER WITH VAT	

I wish to receive an offer for training: Individual on-site training
 Group training
 Online training

VAT receipt required

This order form and the conditions offered to GNAS are **valid until the 15th of December, 2009**. After this date the software license will be available at the standard UK retail pricing. Contact Dartfish for details.

A software license is valid for 1 computer and can only be activated once through an internet connection or a manual activation. Details and explanations are included in the package. A remote control is delivered with each license for a comfortable use of the immediate feedback and video replay applications.
